2020 Census

Every 10 years, the federal government counts everyone who lives in the United States.

Why is the 2020 Census important to us?

A complete and accurate count of American Indians and Alaska Natives throughout the United States contributes to better planning and decision-making for Indian Country, and it helps determine how billions of dollars in federal funding is distributed to communities and tribes for programs and grants. Your participation in the census builds on our communities' progress and helps shape our future for generations to come.

How will we be counted?

Beginning in early 2020, every household will receive a notice in the mail to complete the 2020 Census online, by phone, or by mail.

Will our information be kept confidential?

Yes. Your responses to the 2020 Census are confidential and protected by law. Personal information is never shared with any government agencies or law enforcement.
